

Please do not weaken the do not call law. For myself this law has been a blessing. They would always call in the evening during dinner or when my kids are doing homework, or to just invade my privacy in some other way. And they never take no for an answer. If you want these calls you simply dont sign on to the program, the right not to be bothered in my home is a basic one that I should be able to keep. DO NOT WEAKEN THE LAW FOR DONOTCALL!!!!
